

About XTO Energy Inc.

A subsidiary of ExxonMobil, XTO is a leading oil and natural gas producer in North America with expertise in developing tight gas, shale gas and unconventional oil resources. XTO or its affiliates operate in all of the major U.S. unconventional producing regions and Western Canada. XTO also provides support and technical services to ExxonMobil's operations in Argentina. The company manages 11 million acres with a total resource of about 33 billion oil-equivalent barrels.
